Faneuil Hall Marketplace located in the heart of historic downtown Boston. We're right next to historic Faneuil Hall and the financial district, the waterfront, the North End, Government Center and Haymarket, borders the center. It is a well-traveled part of Boston's "Freedom Trail." You'll also be glad to know there are four hotels with 1,109 rooms within a three-block radius.

Getting here really could not be much easier. From Logan International Airport, just get on the subway and go two stops. By car, we're adjacent to Route 3/Interstate 93.

Additionally, Faneuil Hall Marketplace is conveniently located within a block of three T-Stops: The Green Line serves Government Center & Haymarket Stops. Catch the Blue Line for access to the Aquarium Stop. And to get to the State Street Stop, grab the Orange Line.

**From Points North:**

- I-93 Southbound.
- Take Logan Airport/Callahan Tunnel/Dock Square exit #24.
- Continue straight to Surface Road (Faneuil Hall is on right-hand side), at the third set of lights take a right onto State Street.
- Take the second left on Broad Street, the garage entrance is on the right-hand side.

**From Points South & West:**

- Mass Pike to I-93 North.
- While in the South Station Tunnel take the Atlantic Avenue/Northern Avenue exit #22 on the right-hand side.
- Stay to the left, at the top of the ramp, stay to the right (the Boston Harbor Hotel will be on your right-hand side, it has the large archway shape).
- Take a left at the second set of lights, which will be India Street (India Street is the Broad Street detour).
- Continue on India Street for four (4) blocks until the end.
- Take a left onto State Street.
- Take the next left on Broad Street.
- The garage entrance is immediately on the right-hand side.

**From Logan Airport:**

- Take the Sumner Tunnel to downtown.
- At the end of the tunnel take the right, pass through lights and take your second left (Do not get on I-93 South - the construction areas are confusing).
- Bear left to Surface Road south.
- Follow Surface Road south (Faneuil Hall is on the right-hand side).
- At the third set of lights (you are going around Faneuil Hall) take a right onto State Street.
- Take a second left onto Broad Street, and garage entrance is on the right-hand side.
